Dear Harshal,

We are pleased to offer to you the post of Software Engineer at GenoMatrix India Pvt. Ltd. Indore.

As per the company policy the probation period would be of three to six months. Your services would be covered by the rules and regulation of the company.

Your gross salary would be Rs. 18000/- P.M. during probation period and Rs.3000/- P.M. will be deducted from salary till 2 years and would be kept as Security deposit (Without Interest).

The same shall be payable on completion of 2 years of services.

The Security deposit will be forfeited, if services are left or terminated before 2 years.

Please sign and return copy of the offer letter.

Thanking you,

Sincerely,

Archana Apte  
(Managing Director)
